

UNION BULLETIN SUPPLEMENT
GRADING LISTS- September, 1963

This year's grading lists for the B.C.F. and the Unions are published, for the first time, in September, in order that match captains should have up-to-date gradings available at the beginning of the season.

In future, the grading year will run from May to April, but this year a transitional arrangement was necessary during the change from the old October to September basis. In effect, the winter season from October 1962 to April 1963 (not including the Easter Congresses) has been added to the two previous years, October 1960 to September 1962, making a two and a half year period. The rules for qualification have been applied less rigorously than usual, in order to avoid leaving out players who normally qualify by playing in summer congresses.

The B.C.F. List this time contains 31 players and includes the following members of Southern counties:

<u>Grade 1a</u>	C. Kottnauer, Dr. J. Penrose
<u>Grade 1b</u>	P.H. Clarke
<u>Grade 2a</u>	L.W. Barden, M.J. Franklin, H. Golombek
<u>Grade 2b</u>	A.S. Hollis, F. Parr, R.G. Wade
<u>Grade 3a</u>	A.W. Bowen, R.J. Broadbent, J.W. Cornforth, D.G. Mackay, D.B. Pritchard, D.E. Rumens, D. Sherman

The Union lists contain a total of 429 players: these are divided between grades 3b down to 6b and include the following members of our member counties:-
