This Match was played over the week-end 23rd-24th of November at Nirmingham, and details of all the games are being published in the Chess magazines. The Dutch team included some young players who have had limited experience of international play but, without exception they justified their selection. The arrangements for the Match were admirably handled by officials of the M.C.C.U. and the thanks of all

concerned to Mr. W. Ritson Morry and his helpers. In the Ladies game, Mrs. Pritchard scored $\frac{1}{2}$ 0 v Mrs. C. Roodzant.

J A M B O R E E (See also pp. 3 & 4)

The final scores are given in the next column and we congratulate Middlesex on occupying two out of the top three places, with a note too, on the performance of Hampshire which seems to have surprised a number of people. Mr. Fishlock-Lomax has sent us two gold-plated plaques which were handed to the Middlesex Team on the occasion of the Match against Kent, and we have been asked to record on behalf of the players, their appreciation of this very acceptable gift. Several Counties were pleased to find that they had improved on last season's scores (and a few have determined to do better in November 1964).

BOGNOR REGIS CONGRESS - EASTER 1964

Mr. Fishlock-Lomax advises that brochures are expected to be available during the next few weeks. Miss H.R. Titcomb, whose address is:- Bridge Cottage, Godalming, Surrey, has been appointed assistant Congress Director, to whom

all entries should be sent. This season we shall have additional Junior events for young players whose playing strength does not warrant their entering the Championship applicable to the age. Also, for players of all groups, there will be speed events, for those who like them, where the rate of play will be 40 moves per hour! The Congress will once again be held at Butlin's, with all the amenities thrown in for our spare time.
