AN APOLOGY
for the lateness of this issue.

The fact that subscribers receive the last issue of the 1967/68 season when the new season is almost upon us is due to a breakdown in Norman Lomax's duplicator. The machine was returned to the manufacturers and was retained by them for many weeks. When returned, it showed exactly the same faults that its six weeks with its makers were supposed to have eliminated. Worse; it ruined the first stencil which has been re-typed, hence the August date at the top of this page.

This issue is being run off on a borrowed machine. Details of the Thames Valley and the Marlow Congresses were included on the original sheet; they have now been omitted as the bulletin will not be in your hands until after the closing date for entries.

B.A.French.

BULLETIN 1968/69

This is the last issue of the 1967/68 season and we plan to commence the 1968/69 volume, as in the last two seasons, with an issue in September which will consist mainly of the new Grading List.

It is likely that, as in previous years, there will be a considerable demand for the September issue and subscribers are asked to note that additional copies will be obtainable at 2/6d. per copy.

Orders for ten or more copies will qualify for a reduced rate of 2/- per copy and members requiring such quantities are recommended to place their order with Mr Lauder in advance.

New subscribers may enrol at any time and the annual subscription remains at 5/- for the time being.

To summarise these charges:-

Annual Subscription	-----	5/-.
Single Copy(Grading List)	-----	2/6d.
Ten Copies or more		2/- each

Orders for single copies or new subscriptions may be sent to
J.J.Lauder, 37 Dora Road, Wimbledon, London S.W. 19.

(a) a serious positional error. This bishop is needed to guard blacks weakness on C5. (b) White's N is much better than blacks remaining minor piece. The removal of the black N is well worth allowing black to open the KR file. (c) Simple and strong. Black must still do something about the threatened fork. (note d illegible.)

(a) a beginners error in the Kings Indian (b) driving the N to where it wants to go. (c) much better P-Q6! (d) Blacks game is now an easy win but black makes the elementary error of trying to let the game win itself. (e) Obviously the other rook should be taken (f) in despair black no longer looks for good moves. K-B1 still wins (g) Black, with two Queens and two rooks against queen and two minor pieces is completely lost.

The Second British Championship
SOUTHPORT 1905

This was the year in which the Federation rules were drawn up governing correspondence chess, inter-Unit correspondence competition, and the annual problem tourney.

The Congress was held at the Atkinson Art Gallery, Southport, from August 14th to the 26th. An innovation was an exhibition of 'Living Chess', G.E.H.Bellingham v Arthur Rutherford (the game can be found in Mason's "SOCIAL CHESS".) Six new names were seen in the Championship. The titleholder, Napier, had returned to the U.S.A.

The final table:-

H.E. Atkins 8½: C.H. Sherrard & W. Ward 7: G.E.H. Bellingham & J.H. Blackburne 6½: G.E. Wainwright 6: R.P. Michell, W.C. Palmer & V.L. Wahltuch 5½: W.H. Gunston 3: A.J. Mackenzie & W.H. Shoosmith 2½:

Leicester born Atkins (1872-1955), in winning the first of his nine championships (seven consecutive), went through the tournament unbeaten. Blackburne lost to Sherrard and Wainwright. Atkins had previously shown his quality: he had played in all the cable matches against the U.S.A. winning four games out of eight, and at the Hanover Tournament, 1902, he won third prize in a tournament of 18 players, losing only to Pillsbury and Popiel.

We select the following game with its pleasing finish:-

C.H. SHERRARD v W.H. SHOOSMITH. 1.P-K4, P-QB4: 2.N-KB3, P-K3: 3.P-Q4, PXP 4.NxP, P-QR3. 5.N-QB3, Q-B2: 6.P-QR3, N-KB3: 7.B-Q3, N-B3: 8.B-K3, P-QN4: 9.O-O, B-N2: 10.Q-K2, B-K2: 11.P-B4, P-Q3: 12.QR-Q1, O-O: 13. K-R1, NxN: 14.BxN, P-K4: 15.B-K3, KR-K1: 16.Q-B3, B-KB1: 17.PxP, PXP: 18.B-N5, R-K3: 19.Q-R3, N-K1: 20.N-Q5, Q-B3: 21.B-K2, N-Q3: 22.B-R5, B-B1: 23.Q-KN3, R-R2: 24.N-B6ch, K-R1: 25.B-R6, RxN: 26.RxR, NxP: 27. QxPch, resigns.

This game should be of interest to historically minded present day 'Sicilian' addicts

The General Secretary of the Union writes:

This is the final Bulletin of the 1967/68 season, and we take the opportunity to look back at what has happened, and forward to 1968/69.

Congratulations, first of all, to Jim Pascoe and his team on winning the Inter Union Championship, a 'first' for the S.C.C.U. Sad to say, we must find another Match Captain next year, but at any rate Jim can retire in a blaze of glory.

KENT are favoured to beat MIDDLESEX in the Conty Championship, SOUTH versus NORTH Final, provided that the adjudicators agree with the kibitzers, and this, we believe, would be a 'first' for Kent also. The Handicap put Norfolk and Hampshire into first place, but a special cheer for Suffolk who celebrated their return to activity by finishing fourth in the Northern Handicap Section.

And on your behalf, I would like to thank your Editor, for starting off the season with the monumental Grading List issue, and for keeping us so well informed ever since. The best recognition he could have is to see the circulation grow, so please express your thanks by persuading your friends to become subscribers.

NEXT SEASON'S MATCHES START ON 28TH SEPTEMBER AT THE ROYAL FESTIVAL HALL

THE JOHN LEWIS VENUE IS PERMANENTLY DISCONTINUED

We can think of some County Players who will be turning up in Oxford Street for years to come, but just get it out of your system, and remember to book for Waterloo instead. There will be more information about the R.F.H. arrangements in the Grading List Issue of the Bulletin early next season.

R.L.Owen.

Would the Match Captains of Norfolk, Suffolk and Bedfordshire please send me the scores of their county matches next season please. The scores given below were supplied by Mr Wilcocks. The scores of the quarter and semi-final matches, of Kent and Middlesex, in the Counties Championship, have not been received; if they could be supplied during the Summer they will be published in the first issue of new season.

MARLOW CONGRESS ACCEPTANCES

P.H.Clarke, W.R.Hartston, R.D.Keene, P.S.Milner-Barry and A.J.Whiteley have accepted invitations to play in the 6-man 'Masters' section at the Summer Bank Holiday Congress. With them will be P.V.Byway, a leading Berkshire player, who earned his place by winning last years Premier.

This popular Congress is expected to fill Sir William Borlase's gymnasium once again, and may even overflow into the swimming pool which will, in any case, be open for a cooling dip between rounds. Entry Forms may be obtained from A.Niedzwiedzki, 'Heathfield', Bois Lane, Amersham, Bucks.

I have just noticed that this result does not tally with the figures in the table given above; also that Mr Morrish asked me to check the table with the results that I had been sent, this I have not done !!!. Now I see why he asked me. Perhaps the above match was a friendly.

I am not going to retype the above, a correction will be published next season if necessary.
